Chart Placement

Having completed instructions for the short row sections, the starting line of the chart needs adjusting by 2 rows for all sizes to avoid working an extra two single colour rounds in yarn D. The first paragraph in this section should read:

Ensuring you use the correct chart for the size you are making, work *line 111 (134, 134, 134, 134, 145, 145, 156, 156) of chart*, working marked patt rep 5 [6, 6, 6, 6, 7, 7, 7, 7] times across round.
