CHART B

Chart B has an issue in stitch-column 1. The first stitch on lines 10, 24, 42, and 56 should be yellow for Yarn D, as for the remaining background stitches in these rounds of colourwork.

CHART A CLARIFICATION

Chart A has a 6-round pattern repeat for the cross patterning, but the chart needs to have 64 rows to match the colour usage for Chart B, so the chart ends with a partial repeat. After completing the 64-round Chart A, maintain the 6-round pattern repeat already established referring to Chart A for the colour usage only.
