Single Pattern SC066 –20240103, published January 2024

Please note, corrections or additional information are shown in red italics.

SIZING AND FINISHING GUIDE

The following are corrections to the sizing table:

	1 st Size	2 nd Size	3 rd Size	4 th Size	5 th Size	6 th Size	7 th Size	8 th Size	9 th Size
b Length to underarm	17 (6¾)	18½ (7½)	20½ (8¾)	21½ (8½)	23 (9¾)	24 (9½)	25½ (10¾)	26½ (10½)	28½ (11¾)
d Finished length	33½ (13¾)	36½ (14½)	40 (15¾)	42 (16½)	44½ (17¾)	46½ (18½)	49½ (19¾)	51½ (20½)	56½ (21¾)

Note: take extra care when washing and blocking this garment. It is very easy to overstretch the fabric, especially as most of the sections use the unstretched gauge for length. The armhole section of the back should only be stretched sufficiently to match the depth of the armhole on the fronts.

LEFT FRONT

The number of rows stated in the last paragraph before the Armhole Shaping has a couple of errors, and should read:
Work patt and dec rep from **** to ***** for a further *36 (42, 48, 52, 56, 58, 66, 70, 76) rows*; 96 (104, 112, 120, 128, 136, 142, 150, 158) sts.

BACK

Stripe pattern

Instructions for rows 7–9 worked in yarn B in reverse stocking stitch are incorrect and should read:

Row 7 (WS) P to end of row.

Row 8: *K to end of row.*

Row 9: *P to end of row.*

Also, the number of rows stated in the last paragraph before the Armhole Shaping are incorrect and should read:
Work in patt as set by these 10 rows until back matches front to start of armhole shaping, ending with a WS row and *102 (112, 122, 130, 138, 144, 154, 160, 170) rows* worked in total.

Armhole Shaping

Second paragraph should read:

Continue without further shaping until a total of 69 (69, 79, 81, 83, 87, 97, 101, 101) rows worked in armhole, ending with a row 1 of pattern.

Armhole measures approx onwards: measurements when stretched unchanged so refer to pattern.
